## PARISH CHURCH OF ST. LEONARD

### CHESHAM BOIS

# LENT HOLY WEEK EASTER 1976

This invitation is being sent out to every house in the parish of Chesham Bois. We shall welcome you at any of these services and study groups, and indeed at all times. If you are a member of another Church, or for any other reason do not wish to come, please accept our greetings and the assurance of our friendship.

John Stanton, *Rector*

Following the appeal to the nation by the Archbishops last autumn, you may like to know how we, as a parish, are trying to respond.

Above all, we echo the emphasis made in the appeal, that God cares for each person, for this seems to be the very basis of Christianity. We want to assure you that the Christian community here is at your service, in any way you feel we can be of use. We believe that the love and power of God, as shown in Jesus Christ, can come to anyone who asks for it.

In their appeal, the Archbishops suggested that we ask ourselves what sort of a nation we want, and what sort of people we need to achieve it. They go further, and state that what we can achieve depends on what we are, and that what we are depends on what we believe.

We thought that it would be useful on Wednesday evenings in Lent to run study groups, in our church hall in North Road, on the subjects of work, law and order, power, ambition, and integrity. You will see the dates and times at the back of this leaflet, and will be very welcome if you care to come.

With love and greetings from the Christian community in this parish.

JOHN STANTON,  
*Rector*
